

## **Membership Benefits and Dues Structure for Central Indiana Clean Cities Alliance, Inc.**

### **Why become a member of CICCA, Inc?**

Joining the Central Indiana Clean Cities Alliance, Inc. affirms your company's commitment to improving your community's air quality and lessening our nation's foreign oil dependence.

By becoming a member of CICCA, Inc. you will become a stakeholder in one of the Top Clean Cities Coalitions in the country and the 2006 DOE Clean Cities Coalition of the Year. Your membership will give you access to a one-stop-shop location for answers to and information on any of your alternative fuel, fuel blends, or technologies questions. You will network with stakeholders who hold similar alternative fuel interests and learning from each other through your individual experiences. CICCA, Inc. is a 501(c) 3 not-for-profit corporation.

Every year, CICCA Inc. hosts various training sessions for members and interested parties. These training and information sessions include, but are not limited to, annual stakeholder meetings, talks by industry experts on the latest in alternative fuel and vehicle technologies, emissions in our area, as well as testimonials from local fleet owners and their success stories with various fuels and vehicle technologies. Also, throughout the year, training will be held for fleet managers and their maintenance staffs on the latest alternative fuels and alternative vehicle technologies.

However, one of the most important benefits of becoming a member of CICCA, Inc., is that, throughout the year, the Department of Energy and various other organizations announce funding opportunities for a multitude of alternative fuel uses, such as, vehicle purchases, infrastructure installation, fuel purchasing, research requests and much more. As a member of CICCA, Inc. you will receive notification when these opportunities are announced and, if interested, assistance in preparing the grant application. Since 2002, CICCA has assisted stakeholders in obtaining over \$3,000,000 in project funding.

The following page outlines our annual membership dues structure and additional benefits you can receive, based on your level of membership.

Please take a moment today and fill out this application, getting your organization on the road to improving our community's air quality and lessening our nation's foreign oil dependence!
